* Based on full time study load (eight courses).

DISCOUNTS ON TUITION FEES

- Family discount: Siblings, spouses, children or parents of a current or past student of RMIT Vietnam are eligible for a **5% discount** on tuition fees.
- Alumni discount: Graduates of RMIT undergraduate or postgraduate programs, or of any Australian universities, are eligible for a **10% discount**.
- As part of RMIT's workforce development initiative, new students enrolling in 2023 at Saigon South campus for one of these programs:
 - Engineering (Electronic and Computer Systems Engineering) (Honours), Bachelor of Engineering (Robotics and Mechatronics Engineering) (Honours) or Bachelor of Engineering (Software Engineering) (Honours) will receive a **10% discount on tuition fees** and save around VND 120 million (and can be combined with scholarship).
 - Bachelor of Science (Food Technology and Nutrition) will receive a **10% discount on tuition fees** (and can be combined with scholarship).
- RMIT introduces two new programs at the Hanoi campus with tuition fee discounts. Accordingly, new students enrolling in 2023 at the Hanoi campus for one of these programs::
 - Bachelor of Engineering (Software Engineering) (Honours) will receive a **20% discount on tuition fees** and save around VND 240 million (and can be combined with a scholarship).
 - Bachelor of Fashion (Enterprise) will receive a **10% discount on tuition fees** and save around VND 120 million (and can be combined with a scholarship).

NOTES

- Payments are made **EACH SEMESTER** on a course-by-course basis.
- The fees in USD are **ONLY** applicable to those international students who arrange for payment from overseas, as per Circular No. 32/2013/TT-NHNN.
- The figure shown in the undergraduate degree program table above is **NOT** the discounted fee.
- The discount listed above can **NOT** be applied simultaneously with any other tuition fee discount or scholarship (except for the discount on tuition fees for the three Engineering programs and Bachelor of Science (Food Technology and Nutrition) in 2023).
- Fees are indicative only and subject to change based on individual enrolment. These fees apply only to 2023. For further detailed information and terms and conditions please refer to the **2023 Student Fees and Charges Guide** at bit.ly/rmitfeesandchargesguide.
