

## Overview

As a student, I want to view my program requirements, review my current enrolments, and enrol in course.

## Before you begin

- Login to **myRMIT** using your student ID number.
- Complete the **Pre-enrolments Checklist** in the **Tasks** tile. You may not be able to enroll in a course otherwise.
- All enrolments, cancellations or changes to your enrolment will need to be completed by **8/9pm (Vietnam time)** on the designated deadline dates. For more details, visit [<Important dates and academic calendar - RMIT University>](#)

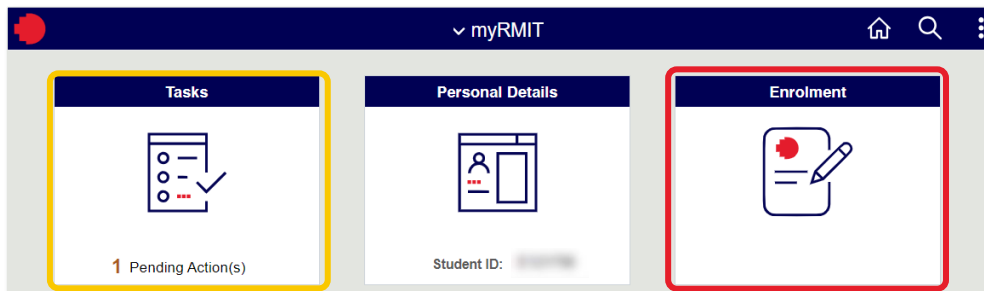

The **Enrolment** tile in myRMIT contains the following pages which you can navigate from the left side navigation menu:

- **Enrol in my Program**
- **Plan my Program**
- **Drop Courses**
- **Enrolment History**
- **Update your Majors or Minors**

## Navigation

### myRMIT Home Page > Enrolment tile

From the **Home Page**, click **Enrolment** tile to view your program requirements and to enrol. The **Enrol in my Program** page displays as default.

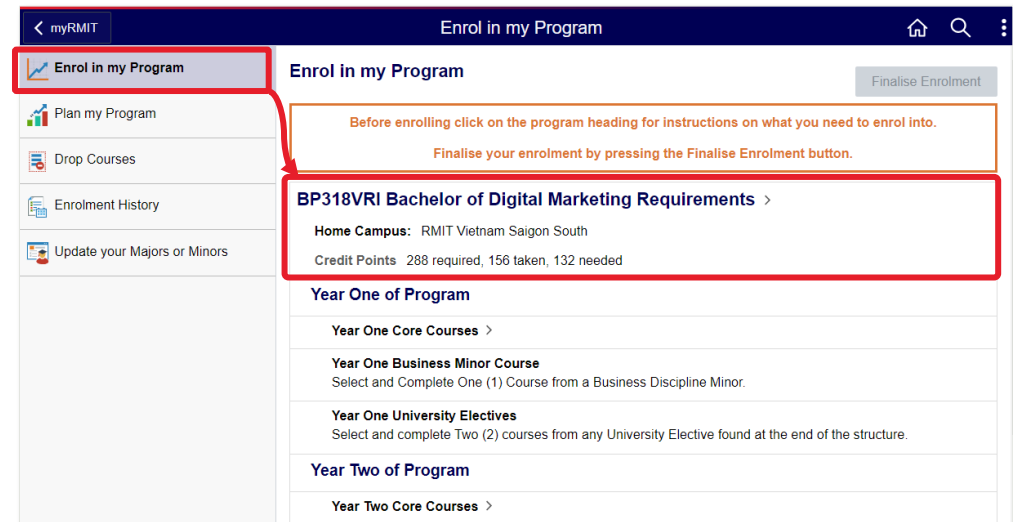

You must complete the Pre-Enrolment Checklist from the Tasks tile. Note that in the sample screenshot above, there is *1 Pending Action* indication displays on the Tasks tile as reminder. If this checklist not completed, you would get a notification with a link to direct you to the Pre-Enrolment Checklist when you access the Enrolment tile.

## Enrol in my Program

The **Enrol in my Program** page provides the full program structure for you to review the program requirements and enrolment options for each academic year/term.

From the **Program Heading** section at the top, you can view your **Home Campus** and **Credit Points**

Click the **Program Heading** to view **program map**, minor list, rules on the completion of minors and program guide.

The Requirement Details page displays with more information of the program and a link to your **program map**.

To return to the previous page, click on the **Return** button

To return to the myRMIT Homepage, click the **myRMIT** back button. Do not use the browser back button
